Submission on the proposed Tasmanian redistribution details

Category: Names and Boundaries

Details: I strongly object to the proposed name change of the Franklin electorate to Tongerlongeter as it is utterly unnecessary and totally absurd. Simply to announce it, without ANY proper consultation is in no way democratic and by pandering to minority groups shows that is purely virtue signalling for political reasons. I have no objection to the AEC adjusting boundaries to allow even voter distribution, but it should have NO ROLE in the naming of electorates whatsoever,
