Submission on the proposed Tasmanian redistribution details

Category: Names

Details: Renaming of Franklin electorate. This is the first time I have heard about the renaming of our electorate. I am very unhappy about the new proposed name. First it is a long name which will be hard to remember and second it is an aboriginal name of a man who fought in the wars against white settlers mainly targeting women and children. Who on earth proposed this name? I feel this is a totally inappropriate name selection.
