Submission on the proposed Tasmanian redistribution details

Category: Names and Boundaries

Details: Id like to provide my opinion on the changes as someone who lives in the Huon area, the idea of changing the Franklin electorate is good for the most part but I think a only partial expansion of Clark into the Huon valley would be the most beneficial. And on the topic of the name changes I find them utterly ridiculous, theres no real need for them and the only strong feelings held by the public regarding them are negative.
