Keep Franklin as the name of the electorate. There is no reason to change it and it is ridiculous cancel culture trying to cull our history and founder names to adopt Aboriginal names. I and most Australians are offended by disregarding our history and trying to please the 1% of Aboriginals and activists at the expense of all others. There is no need to expend funding to make unwanted name changes to electorates. Respect our actual history and the Westminster system of government for the people by the people. Not the activists
