Submission on the proposed Tasmanian redistribution details

Category: Names and Boundaries

Details: I am writing to support the proposed changes to the electoral boundaries for Lyons and Franklin. I live in the Southern Beaches (Lewisham/Dodges Ferry) and the proposed changes better reflect the geographical identity of the newly defined electorate of Franklin.

I am also very supportive of the proposed change of name of the electorate from Franklin to Tongerlongeter. I have an ever-deepening understanding about British colonisation of this region, and the significance of Tongerlongeter's leadership during this time.

Notwithstanding, I am saddened that Tabatha Badger, the Greens Member for Lyons, will no longer be my representative. She has been a fierce advocate for the issues that matter for many of us in our area.
