Submission on the proposed Tasmanian redistribution details

Category: Names
Details: Hi. The new suggested name for Franklin is unwieldy. It is too long and has too many syllables. May I suggest we call the electorate Great Oyster Bay. Or Maria. Or Freycinet. Or Mercury. Or Hazards. Or Graham. Or White Sands.

These are just some easier to say and relatable alternatives, of which there are legion more. Please don't call it Tongerlongeter.
