Submission on the proposed Tasmanian redistribution details

Category: Names

Details: Good morning,
I would like to submit my objection to the renaming of the Franklin Electorate. It was not in the original proposal and obviously an afterthought when someone came forward with 'an idea'. Stop renaming everything. You are disregarding history and band-aiding it to appease a minority which in affect is making more people resentful. We acknowledge the absolute tragedy of what happened to the Tasmanian Aboriginals, but you are going to cause more resentment, waste tax-payers money and everyone's time, instead of achieving what you think you will. Leave FRANKLIN as it is!
