Submission on the proposed Tasmanian redistribution details

Category: Names

Details: It seems strange that for a particularly shameful period of history, you have decided to select someone who partook in it. In essence, the AEC is declaring that wholesale murder of women and children is forgivable in resistance or revenge.

William Crowther was not guilty of any sin as serious as Tongerlongeter, and we have consigned him to the wastebin of history for his conduct.

I can't help but notice another choice - Woureddy - who raped and murdered his sister in law as a matter of cultural revenge.

Are there any disqualifying factors for selecting an electorate name?
