Dear Commissioners,

I write to support the proposal to change the name of the electorate of Franklin to Tongerlongeter. As a 79 year old resident of Howrah I could not be more pleased. In his time Tongerlongeter was acknowledged, even by white settlers, as an exceptional leader. There is no memorial to him in the state and it's only fitting that an electorate in our democracy should bear his name. Bravo to the commissioners for coming up with the idea.

Yours faithfully,
