Submission on the proposed Tasmanian redistribution details

Category: Boundaries
Details: I think the wholesale changes to the electoral boundaries are completely unnecessary. Clark has always been an inner-city and northern suburbs electorate, and Lyons has always been a sprawling and entirely rural electorate which spreads to the various coastlines. To make Lyons entirely landlocked and to move suburbs like Claremont and Glenorchy into Lyons from Clark when they're more metropolitan and suited to Clark beggars belief. I urge the AEC to reconsider and reverse such changes.
