Submission on the proposed Tasmanian redistribution details

Category: Names
Details: Coming from a born and bred Lindisfarne family of many generations I whole heartedly disagree with the name change to that of an Aboriginal murderer, which is verified by historical accounts. If such uproar of the likes of Mr Crowther is publicly shamed and removed due to his own actions, then the same applies to this murderer. How absolutely hypercritical is that!? I totally object to the name change to this person.
