Oates, Greg - Redistribution TAS - Submission on the proposed Tasmanian redistribution (feedback)

Personal details

First name: Greg
Surname: Oates
Email: [REDACTED]

Submission on the proposed Tasmanian redistribution details

Category: Boundaries
Details: The proposed boundary changes to Lyons and Clark are nothing more than gerrymandering because they favor the Australian Labor Party. Lyons is a rural electorate and does not need an urban area to make biased decisions that affect the whole community. Similar situation in Franklin. The city taking over country lifestyle. Also I do not support changing the name of any electorates especially to gratify a very small ethnic group.
