Submission on the proposed Tasmanian redistribution details

Category: Names
Details: I STRONGLY OPPOSE the proposed name change of the Division of Franklin. Firstly it should be retained as it is an original Federation seat and the AEC has a requirement to try and maintain Federation seats and secondly it should not be changed to an unpronounceable name named after an Aboriginal terrorist that killed hundreds of people including women and children. As Donald J. Trump said "Everything woke turns to shit". Save Franklin!
