Submission on the proposed Tasmanian redistribution details

Category: Names

Details: I am a Tasmanian and have lived in the electorate of Franklin for the past 16 years. I am strongly opposed to the potential renaming of the electorate to Tongerlongeter. Franklin is known by everyone, Tongerlongeter is not. I have never heard of him, and I'm sure I'm not alone. Please don't keep imposing what appear to be 'identity politics' changes like this on everyone. I realise you have the power to do so, but is it really worth alienating people to do it. I genuinely hope that you do not proceed with this proposed change.
