Submission on the proposed Tasmanian redistribution details

Category: Names
Details: I cannot believe the arrogance of this. Changing an electorate name with virtually no consultation. In a democracy the proper process is to ask if the electorate want a change. If they say yes then a process proceeds as to what that new name could be. A democratic process is not, repeat not, we are changing it to whatever, do you object. So I and my wife both totally object to this un democratic change.
