I live in Ferny Grove in the federal electorate of Ryan. I'm three streets away from the electorate of Dickson. I don't feel that Ryan represents my suburbs best interests and instead represents only the interests of people in Toowong and Indooroopilly. Conversely, Dickson represents Strathpine and Petrie and areas vastly different geographically to Ferny Grove. I propose that both electorates are too big and a new electorate should be formed that by and large follows the state electorate of Ferny Grove travelling along Samford and Kelvin Grove road up to Newmarket. This electorate should also include Samford. I have lived in Ryan all my life and have been a political candidate before. I've been deeply rooted in local community

groups and know in my head and heart
that Ryan doesn't represent me and my
my fellow neighbours properly.
