I live in Cairns and always voted in the electorate of Mulgrave until the boundaries were changed. I live approximately 1km from where the boundary is and have had to vote in the electorate of Kennedy ever since as Kennedy is one of the biggest electorates in the state I feel that we are not getting the support needed in Cairns I feel that if people south of Cairns could go back to voting for Mulgrave we would have a better representation from a local than somebody who lives in Mt Isa regards Terry Ingledew
