# Ellard, Melenee - Redistribution SA - Submission on the proposed South Australian redistribution (feedback on ideas)

## Personal details

**First name:** Melenee  
**Surname:** Ellard  
**Email:** [REDACTED]

## Submission on the proposed South Australian redistribution details

**Category:** Names and Boundaries

**Details:** In regard to the name change, I am not racist but why do we have to keep changing names, way we look at things and simple ceremonies just because of First Nation people. Australia is a multicultural country, lets leave it as is.  
Re: Boundaries - Grey is already one of the biggest electorates in the country. I understand the ratio of population to area is around the same, but for Tom to have to travel between each community and serve that community properly, he is on the road enough as it is. I think extending the boundaries would not only be detrimental to the electorate but also would be a strain on the sitting member
