Good Afternoon. As a former resident of this electorate (pastoral) I am strongly opposed to renaming this historical electorate for a "recent" lived person. This person claims to be of stolen generation but according to early settlers of this region, was "given up" by her mother? If this is so it does place some questions of the validity of her past, & therefore the wisdom of the renaming. Let's keep past history as is!

Yours Very Truly,
Jim Best
