# Cotton, Beck - Redistribution SA - Submission on the proposed South Australian redistribution

## Personal details

**First name:** Beck  
**Surname:** Cotton  
**Email:** [REDACTED]

## Submission on the proposed South Australian redistribution details

**Category:** Names

**Details:** Its ridiculous to be proposing an unnecessary name change that will result in the expense of tax payer money during an economically unsound time. Fuel prices are at an all time high and support is needed within the region to assist our farmers, our fishermen and our distribution lines to ensure that regional and remote families can survive. This is unnecessary and a ridiculous expense at this time.
