James, Josh - Redistribution SA - Submission on the proposed South Australian redistribution

Personal details

First name: Josh
Surname: James

Submission on the proposed South Australian redistribution details

Category: Names and Boundaries

Details: I am not one to support this idea of moving the electoral boundaries of Grey to include parts of outer Adelaide. City and regional country should be separated for a specific reason. They represent different demographics and needs. Also, please keep the name Grey, this is coming from someone that lives and resides in the Yorke Peninsula. Why change what isn't broken.
