, Karen - Redistribution SA - Submission on the proposed South Australian redistribution

Personal details

First name: Karen

Surname:

Email: [REDACTED]

Submission on the proposed South Australian redistribution details

Category: Boundaries

Details:

I do not believe that the electorate of grey should be expanded to include metropolitan suburbs. The area currently truly represents regional South Australians and the inclusion of metropolitan voters would take away a voice from regional South Australians. Regional voters are often overlooked in political matters. The area of Riverlea would be better represented with an urban electorate.
