, Nicola - Redistribution SA - Submission on the proposed South Australian redistribution

Personal details

First name: Nicola
Surname:
Email: [REDACTED]

Submission on the proposed South Australian redistribution details

Category: Boundaries
Details: Electoral boundaries are there to give insight and representation to the people in it. I dont think combining metropolitan or city fringe areas with an already vast area to the Grey Electorate is a good idea. Country voices are already disproportionate to those of the citys and to combine them by incorporating areas such as Riverlea would further dilute funds desperately needed for our rural electorate.
