This is absolutely ridiculous. I thought the name change was stupid and woke, but then you went to the next level with the boundary change. To include the riverlea area into the Grey electorate is ludicrous. The Grey electorate represents those in regional communities, not a metro based community like Riverlea and the Playford electorate. The grey electorate is one of country beliefs, country views and purely country focused. If this change occurs, I believe it would be the single dumbest and unjust decision Ive seen the AEC make.
