# Fox, Connie - Redistribution SA - Submission on the proposed South Australian redistribution

## Personal details

**First name:** Connie

## Submission on the proposed South Australian redistribution details

**Category:** Boundaries

**Details:** Very concerned that the boundaries of the Grey electorate may be extended to include suburbs of Adelaide (Riverlea for example) and further dilute the vote of rural South Australians. Our member already represents a ridiculously vast area with varying needs and priorities. I fear expecting any candidate to cover such a huge percentage of the state is already a disincentive for anyone considering putting their hand up for the role, and the prospect of extending the boundary of Grey even further risks our chances of fair representation even further.
