# , - Redistribution SA - Submission on the proposed South Australian redistribution

## Submission on the proposed South Australian redistribution details

**Category:** Boundaries

**Details:** There is no benefit to the regional residents of Grey to alter the boundary and include areas close to Adelaide. This will alter the composition of the voting saturation and will lead to even less benefit for country based residents. SA already has such a huge population saturation in metro areas, and it will be doing a disservice to the more regional members to dilute their vote even further.
