Submission on the proposed South Australian redistribution details

Category: Names and Boundaries
Details: Proposed changes to Grey.
Name works, why change it?
Leave boundary as is so that it is a regional representation and not including outer suburbs of Adelaide. Regional needs have different complexity to metropolitan .. most metro people live in a bubble and have minimal understanding or appreciation of the challenges we face in the regions. Daft idea ... on a par with the brain fart to mess with the BOM website ... that went well!!! Leave Grey alone.
