Submission on the proposed South Australian redistribution details

Category: Names and Boundaries

Details: I believe the electorate of Grey (already covers over 90% of the state and is regional and rural) should not shift boundaries to include an outer suburb. This changes the dynamics of the constituency and draws away focus from the regional, rural and remote communities. As for name change, while I admire Lois O'Donouhue for her progressive achievements, I believe the name of Grey honours a pioneering leader of state history and should stay.
