Submission on the proposed South Australian redistribution details

Category: Names and Boundaries

Details:

I believe the electorate of Grey should not be increased to include Riverlea which is suburbia. Grey is already the largest electorate and there is a vast difference in the needs of rural Australians to those living on the outskirts of Adelaide. They would have no idea or interest in half the state and would be impossible for the MP to manage. Furthermore a name change is an unnecessary financial expense at this time. A ridiculous waste of taxpayer money during the current economic climate.
