Sawyer, Min - Redistribution SA - Submission on the proposed South Australian redistribution

Personal details

First name: Min
Surname: Sawyer

Submission on the proposed South Australian redistribution details

Category: Boundaries

Details: The electorate of Grey should remain as it is. By changing the boundaries and including suburbs of Adelaide, the focus of the federal member will be changed from supporting rural and remote families and businesses to urban issues. This will cause more inequity given those of us who live in rural and remote areas are already struggling with a lack of services.
