# Fitzgerald, Lauren - Redistribution SA - Submission on the proposed South Australian redistribution

## Submission on the proposed South Australian redistribution details

**Category:** Names and Boundaries

**Details:** Including outer Adelaide in the electorate of Grey is not taking into consideration the needs of those in the Far West and country. Rural areas need rural representation; not to be lumped in with suburbia and become misrepresented by this. Grey is already large enough.  
Furthermore, I strongly oppose renaming the electorate. Grey has a strong connection to the area; and is named for a former governor. He was incredibly influential on the state during a period of financial turmoil and to lose a connection to our history this way is detrimental. If anything; more should be done to ensure our population knows of the origins of the name and the importance of this history.
