## Personal details

**First name:** Ella  
**Surname:** Palmer  
**Email:** [REDACTED]

## Submission on the proposed South Australian redistribution details

**Category:** Names and Boundaries

**Details:** The name and boundaries should remain unchanged. Adding in northern suburbs of the city will not fairly represent constituents within the current electorate boundaries of rural people of the mid north of SA. Our representation should remain rural and remote. Our issues remain rural and remote. We are not a suburb of Adelaide and we should not be represented by or assumed as such by policy and decision makers who do not live, work or survive here.
