Cole, William - Redistribution SA - Submission on the proposed South Australian redistribution

Personal details

First name: William
Surname: Cole

Submission on the proposed South Australian redistribution details

Category: Names

Details: Renaming the Federal electorate of Grey is not warranted and should not go ahead. Whilst acknowledging the outstanding contribution made by the person whose name is to be used, the fact is that the current name refers to the culture that existed when Australia was formed into the country that it is today. Therefore a name associated with European settlement is far more appropriate as it represents the toil and endeavor of early settlers in building our country.
