Submission on the proposed South Australian redistribution details

Category: Names and Boundaries

Details: The name change is fine and I knew Lois (Lowetja) ODonohue and she did go to Quorn School with my mother.
But changing electoral boundaries to include an Adelaide City area is a backwards step. We already have trouble with getting funding for projects and infrastructure in our Areas, we find anything North of Gepps Cross seems to get less attention, I find this with Emergency Services and have to fight for anything extra for our SES and CFS units in town because most of the funding stays in South Region, we have big problems with phone and internet coverage and often struggle with this.
That is just one instance of City Vs Country, so keeping our Electorate Predominantly Country Orientated to my way of thinking will be better for us.
