To whom it may concern,

AT the annual general meeting of the Caltowie Jamestown branch of the Liberal Party of S.A. it was passed that as President I would express our objection to the change of name of the Grey electorate to O'Donahue. Although we admire the achievements of Ms O'Donahue we believe the name change is unnecessary. Having just experienced a name change in the state electorate of Frome and the confusion that produced with electors we do not see anything but more confusion if you proceed with a name change in Grey. The redistribution of the electorate is again being planned and that alone will add more confusion to the voter. Please consider the size and nature of our electorate and the consequences of change before proceeding with further disruption to this vast electorate.

Richard Daley
President Caltowie Jamestown .
