Submission on the proposed South Australian redistribution details

Category: Names and Boundaries

Details: I saw Tom Vennings post about the renaming of Grey and also expanding our boundaries. I would like to say that Grey is a better and also more simple name to remember which naturally makes the locals and those under Grey boundaries more likely to remember it. Concern with boundaries is that, if we expand to Riverlea and also outer Adelaide, it may distract Grey and also Tom Venning from his initial plan which was to represent REGIONAL and local issues.
