Davies, Kerry - Redistribution SA - Submission on the proposed South Australian redistribution

Submission on the proposed South Australian redistribution details

Category: Names and Boundaries

Details: no need to change name of Grey. STAY as the name of Grey. Minority of voters are Black Aboriginal that don't vote anyway. Majority of White Aboriginals (we Australians) are happy with Grey. Why spend all that money for changing. I am a sixth generation Australian and we grew up on the Nullabor. The area being planned is very large now without even more being added. Are you going to include a plane for the politician to use to get around this enormous area. I can see a hidden agenda with changing area brings in more populated areas, this will then turn it away from the rural voters.
