# Lawson, lauren - Redistribution SA - Submission on the proposed South Australian redistribution

## Submission on the proposed South Australian redistribution details

**Category:** Names and Boundaries

**Details:** The renaming of grey electorate is fine, with the acknowledgement of a significant indigenous woman a great step. However moving the boundaries of a large, rural electorate to also include metropolitan areas would result in significant challenges. Particularly I have concerns in ensuring that the needs of rural voters are met and advocated for. I believe the seat of grey should maintain its current distribution to ensure that rural and regional voters are represented fairly.
