## Submission on the proposed South Australian redistribution details

**Category:** Names and Boundaries

**Details:** The seat of Grey is already 92 0/0 of the state. Adding River Lea and other outer sub of Adelaide will make this seat unmanageable for the sitting member. Leave Grey as it is. Redraw the city boundaries if redistributions are needed . How can one person manage a bigger electorate with many more people in the electorate. This would make the seat of Grey untenable. Do not change the name. The seat of Grey is a country area, do not add city sub to the seat of Grey.
