# Evans, Peter - Redistribution SA - Submission on the proposed South Australian redistribution

## Personal details

**First name:** Peter  
**Surname:** Evans  
**Email:** [REDACTED]

## Submission on the proposed South Australian redistribution details

**Category:** Names and Boundaries

**Details:** We dont need more change and confusion with a name changes. Keep Electorate names constant to avoid confusion. Keep the Grey electorate name, it has national recognition being the largest area. On that note, the distances any member of parliament must travel in the seat of Grey doesnt warrant more people to be added in city dwelling areas, the MP cant represent the existing people given the travel demand, let alone adding more. Size of an electorate needs to be weighed against people represented, special provisions is needed for the large country electorates to allow for travel times in meeting with constituents.
