Submission on the proposed South Australian redistribution details

Category: Names and Boundaries

Details: CALL TO KEEP GREY IN COUNTRY SA AND THE NAME....I writing in support of recent article in Eyre Peninsula Advocate dated 16th April, 2026. No change to electoral boundary and name of Federal Electorate of Grey. Grey is a massive area logistically as is and to have clear and effective representatives for community voice is not heard at times now!!! Let alone without changing boundaries!!! Bringing in Riverlea!!! An Adelaide city fringe suburb should it not be included in Spence!!!! All because of population numbers within these electorates, Grey has a large contingent of small country towns/councils trying to keep their communities viable. Keep business schools government support federal and state representatives going!! I strongly disagree to this change, why change something that is not broken!!
