Submission on the proposed South Australian redistribution details

Category: Names and Boundaries

Details: Firstly the electorate of Grey - I think it should stay as that name. Short, easy to remember and spell. Boundaries change - I am most definitely against this. Id like to stay separate from city suburbs and close areas. We are distinctly different from proposed areas. As country towns I feel very forgotten at times and I also feel that issues would still revolve around edge of the city suburbs. We need to be able to follow up on issues that effect us and all country towns.
