## Submission on the proposed South Australian redistribution details

**Category:**

Names and Boundaries

**Details:**

The electorate of Grey is primarily a regional electorate. The proposed boundary changes risk muddying our priorities and diluting our strength of focus on what best serves our regional towns and centers.

Added to this, the paperwork aspect alone of changing the name and boundaries of the electorate would take up valuable time and money, in a period when our State needs to conserve funds, not bleed them.

What are the compelling reasons to change that would override these concerns? We are yet to see any.

With respect, content resident of Grey
