Lloyd-Smith, Martin - Redistribution SA - Submission on the proposed South Australian redistribution

Personal details

First name: Martin
Surname: Lloyd-Smith

Submission on the proposed South Australian redistribution details

Category: Boundaries

Details: I feel the elected member for Grey would find it extremely difficult to represent fairly the needs of suburban and regional constituents. The electorate is huge and its needs are regional in nature differing greatly from the proposed suburban constituents. Evening up electors should not be the only consideration
