, Anna - Redistribution SA - Submission on the proposed South Australian redistribution

Personal details

First name: Anna

Surname:

Email: [REDACTED]

Submission on the proposed South Australian redistribution details

Category: Boundaries

Details:

The gap between and also the needs of country and city people are poles apart. By changing the boundary of Grey and including the new outer suburbs will water down the potential for the real needs to be met. We need a solid Grey voting population with people of aligned needs and values, not some city centric collective with no idea.
