Blieschke, Roger - Redistribution SA - Submission on the proposed South Australian redistribution

Submission on the proposed South Australian redistribution details

Category: Names and Boundaries

Details: I am opposed to the electorate of Grey being extended into urban areas such as Light and Playford council areas. A rural electorate should only represent rural people. I am also opposed to the renaming, just to be politically correct and woke, and the costs involved in this. It is also confusing for people within the electorate.
