## Submission on the proposed South Australian redistribution details

**Category:**

Boundaries

**Details:**

Oppose the expansion of Grey in South Australia. Grey already covers 92% of the state and is a logistical challenge for the elected member as it is. Grey is a regional seat and should remain regional, with the focus to remain on regional issues and regional constituents, not be expanded to include metropolitan areas and metropolitan issues. Our elected members need to continue to advocate for regional people. Metropolitan issues receive all the attention as it is.
