Submission on the proposed South Australian redistribution details

Category: Boundaries
Details: Changing the boundaries of Grey to include outer Metro and Adelaide suburbs completely undermines the rural Electorate of Grey. It is completely baffling that the AEC supposes the needs of Metro Adelaide and surrounding suburbs are the same needs that rural and remote Australians have. It will completely eradicate the voice of our rural and remote population and will undermine our voice in the Australian Parliament. The AEC needs to urgently rethink this position and what it hopes to achieve by this redrawing of the map.
