Peters, Colleen - Redistribution SA - Submission on the proposed South Australian redistribution

Personal details

First name: Colleen
Surname: Peters

Submission on the proposed South Australian redistribution details

Category: Boundaries

Details: The electorate of O'Donohue should remain for country people with similar values and needs. The inclusion of outer Adelaide metro will not reflect this. The existing physical size of the (Grey) O'Donohue electorate is challenging for the representative to cover. Any increase in area would make it even more difficult.
