Submission on the proposed South Australian redistribution details

Details: I would like to suggest that the federal electorate of Grey be renamed Lowitja rather than O'Donoghue. The name Lowitja is well know in South Australia and federally, it was the name this wonderful leader Dr Lowitja O'Donoghue wished to be known by, and it reflects her connection with her aboriginal heritage. It is a name that honours this prominent person rather than her father, and it does not have the complication of an apostrophe. I do not think it is disrespectful to refer to a person by their first name, particularly when that name has such special recognition and significance. Thank you for giving me the chance to comment on this issue which I feel quite passionate about.

Details: Further to my submission sent earlier today, requesting that the electorate of Grey be renamed Lowitja rather than O'Donoghue, I would add that the Lowitja Institute is an example of the name Lowitja being used rather than O'Donoghue, to recognise and honour Dr Lowitja O'Donoghue and her Aboriginal heritage.
